Conformity Assessment	The Checks of Conformity independently assessed by competent and qualified audit professionals demonstrate, through sampling that Kidentify Pte. Ltd, as an Age Assurance Provider meets the requirements as outlined in Practice Statement k-ID Practice Statement (ISO 27566) v.1.1 - 23 Feb 2026. A certified copy of the full Practice Statement that has been assessed is available to view on the ACCS Registry. This Public Practice Statement provides information about the certified service while protecting information that is not publicly available.
Monitoring and Surveillance	Date of Certification: 15th April 2026 Certificate valid until: 14th April 2029 Surveillance audit 1 due: [Annual ±30 days] 15th April 2027 Surveillance audit 2 due: [Annual ±30 days] 15th April 2028 Recertification due date: 3 years from issue
Limitations of certification	This certification applies only to the system or component under analysis as defined above. Any modifications outside the declared boundaries, contexts of use or configurations are not certified.

Certification does not extend to relying party operations, data controllers or external systems not declared in scope

Simple Explainer

We provide this 'simple explainer' for anyone reading or interpreting our certificates of conformity to assist with understanding. There is further information on our website www.accscheme.com or by calling our certification team on **0345 257 0018**.

ISO/IEC 27566 establishes a framework for age assurance systems and describes their core characteristics, including functionality, performance, privacy, security and acceptability for enabling age-related eligibility decisions.

The client is permitted to update their practice statement with minor amendments during the period of validity of their certification, but more substantial changes should be notified to us, and a new certified copy issued.

A certified copy of the practice statement that has been assessed is provided in our online registry (Public Practice Statement).
